PRESIDENT OF BASKETBALL OPERATIONS AND HEAD COACH

GLENN "DOC" RIVERS

Glenn "Doc" Rivers enters his fourth season in Los Angeles as the Clippers President of Basketball Operations and Head Coach. In his 17th season as an NBA head coach, Rivers led the team to a 53-29 (.646) record in 2015-16 and the fourth-seed in the NBA Playoffs. The NBA Coach of the Month for January 2016 and April 2016, Rivers recorded his 750th career coaching victory on April 6, 2016 in the Clippers 91-81 win over the Los Angeles Lakers. Rivers is just the 16th coach in NBA history to win at least 750 games and is one of only two active head coaches (Gregg Popovich) to do so.

The 1999-2000 NBA Coach of the Year, Rivers is one of six active NBA head coaches to win an NBA title and owns a lifetime 753-553 (.577) regular season coaching record and a 79-75 (.513) career Playoff record.

As Clippers President of Basketball Operations, Rivers was instrumental in assembling a talented roster for the 2016-17 season by adding depth to an already strong core. Rivers re-signed key free agents including three-time Sixth Man of the Year Jamal Crawford, Wes Johnson, Luc Mbah a Moute and Austin Rivers. In addition, Rivers and the Clippers signed free agent guard/forward Alan Anderson, forward Brandon Bass, guard Raymond Felton and center Marreese Speights. The team also added two players to the roster from the 2016 NBA Draft including first round pick forward Brice Johnson (25th) and center Diamond Stone (40th).

A former Clippers point guard (1991-92), Rivers became the 16th head coach in Clippers history (1984-Present) in June, 2013 after the Boston Celtics agreed to release him from his contract in exchange for a first round pick in the 2015 NBA Draft as compensation. In his first season in L.A., Rivers led the team to the best record in franchise history (.57-25, .695) and helped guide the Clippers to the Western Conference Semifinals.

Rivers became the Clippers President of Basketball Operations on June 16, 2014 after directing them to the 2013-14 Pacific Division title while also establishing a new franchise record for the most home wins in a single season.

Before joining the Clippers, Rivers spent nine seasons with the Celtics, compiling a 416-305 (.576) record and leading the Celtics to the 2007-08 NBA Championship with an NBA-best 66-16 regular season record. Rivers led the Celtics to six Atlantic Division titles, the 2009-10 Eastern Conference Championship and a 59-47 (.556) Playoff record.

During the course of the 2007-08 campaign with the Celtics, he received NBA Coach of the Month three times. He became the only Celtics coach since the award's inception (1982-83) to win the award three times. He joined K.C. Jones, Jimmy Rodgers and Chris Ford as the only Celtics head coaches to have won the award.

Before taking over the Celtics, Rivers spent just over four seasons as the head coach of the Orlando

PRESIDENT OF BUSINESS OPERATIONS

Gillian Zucker

Gillian Zucker enters her third season as President of Business Operations of the L.A. Clippers, with the team poised to continue its emergence as an industry leader in innovating and enhancing the fan experience and reach in the Los Angeles community and beyond. A sports industry veteran, Zucker joined the Clippers on Nov. 6, 2014 after spending nine years as the President of Auto Club Speedway, the largest race track on the West Coast.

Overseeing all aspects of Business Operations, Zucker brings a philosophy of transparency and strategic discipline to the Clippers. Zucker is committed to positioning the Clippers as a leading example of how a sports organization can make a community impact far beyond the court or field.

In 2015, she led the re-launch of the L.A. Clippers Foundation, which last season impacted more than 350,000 lives in the Greater Los

Angeles region. Primarily focused in the areas of education, health, and wellness, one of the Foundation's major team initiatives included a partnership with Vision To Learn to provide vision services to every student K-12 in the Inglewood School District. Among a myriad of other programs, the Foundation also provided support which allowed a record 24,000 kids to participate in the Jr. Clippers basketball program in conjunction with the L.A. City Recreation & Parks Centers and YMCA branches.

Committed to an exceptional fan experience, Zucker has been the driving force in developing new experiences for every segment of the Clippers audience. These have included spearheading the team's new logo and brand identity, the introduction of Chuck the Condor, and a revamped courtside experience which included the construction of the Lexus Courtside Club. New for 2016-17 is the debut of the first Clippers Season Ticket Holder Club at STAPLES Center and a newly revamped fan experience in the STAPLES Center 300 level.

Other areas of strategic focus include the development of a visionary new digital product, conceived by Steve Ballmer, intended to redefine the sports broadcast experience.

This off-season, Zucker led the Clippers in extending the team's partnership with FOX Sports Prime Ticket with an exclusive multi-year broadcast rights agreement that provides the Clippers the ability to pursue Ballmer's vision of developing revolutionary digital products. In addition to securing a strong and vibrant radio relationship with iHeartMedia Los Angeles and AM 570 KLAC in March 2016, Zucker has also put into place novel strategic partnership platforms such as DTLAC – a Saturday Night Series Celebrating Downtown Los Angeles.

Zucker was honored by Los Angeles Magazine in the September, 2016 issue as one of 10 "Wonder Women" changing L.A.

Prior to joining the Clippers, Zucker was named President of Auto Club Speedway in June 2005 and led all facets of the Speedway's business and served on the International Speedway Corporation executive management team overseeing Chicagoland and Kansas Speedways. CLIPPERS IN THE COMMUNITY

READ TO ACHIEVE

Program challenges children in elementary, middle and high school to take time out to read. Each participating child in elementary and middle school is asked to track the number of books they read and the minutes they spend reading.

High school students have the opportunity to participate in the Creative Writing Challenge by taking time out to celebrate the written word through a creative short story, poem or rap. In addition, elementary and middle school students can participate in the Storybook Challenge by working as a team with their class to create a storybook in a quest to become LA Clippers Student Reading All-Stars. School visits by Clippers Players and Alumni, game tickets, books, bookmarks, t-shirts and grants are also incentives provided for the program. The goal of READ TO ACHIEVE is to build a lifelong love of reading in young people by providing greater access to books and technology while encouraging families and adults to read regularly with young children.

JUNIOR CLIPPERS

The Jr. Clippers program creates a positive environment for the children of the Greater LA region. Children ages 5-14 are taught the fundamentals of basketball, sportsmanship and athletics to promote healthy, active lifestyles for children and their families. Jr. Clippers participants receive a variety of incentives throughout the year including a Jr. Clippers uniform, game tickets, books and school supplies, giveaway items and exclusive basketball clinic opportunities. All teams participating in the Jr. Clippers

basketball league are also eligible for the Sportsmanship and Essay Program, designed to ingrain the importance of sportsmanship, with a focus on teamwork, fair play, ethical behavior and integrity.

The Jr. Clippers program started in 2000 with 750 participants from three recreation centers from the Los Angeles City Recreation and Park and last season had grown to include 12,000 youth players from 68 recreation centers. In 2015-16, the addition of 26 YMCA branches with 12,000 new participants brought the Jr. Clippers program to a record-high of 24,000 youth basketball players.

CLIPPERS IN THE COMMUNITY

MENTORSHIP ASSIST ZONE

The LA Clippers partner with local youth organizations and schools to lend an assist with community based mentorship initiatives. The Mentorship Assist Zone program supports local organizations with mentorship recruitment, student incentives, speakers, cultural experiences and group outings. While the program supports all youth mentorship it has a special emphasis on organizations serving youth in underserved communities and young men of color.

LA CLIPPERS CHAIRMEN

Wheelchair basketball began as rehabilitation for soldiers returning from World War II and was formalized as a competitive sport in 1948, just one season after the NBA. The LA Clippers Chairmen wheelchair basketball team enters its 12th season. The Clippers team up with the National Wheelchair Basketball Association to sponsor the Clippers Chairmen. The Clippers Wheelchair players are not only chairmen of the court, they also participate with the Clippers community outreach to children directing youth to a positive life path.

PLAYERS ZONE TICKET DONATION PROGRAM

In conjunction with the LA Clippers Foundation, Clippers players host groups of children and make it possible for them to join in the fun and excitement of watching a Clippers game. Clippers players sponsor hundreds of children each season. All children receive goody bags, a chance to watch pre-game warm-up courtside and the opportunity to meet their player host up close and personal.

THANKSGIVING

TEAMWORK AT THE TABLE

The Clippers team up every November with corporate partners, players and staff at the St. Joseph Center to distribute clothing, food baskets and turkeys to families. Since 1988, this annual event has served thousands of homeless individuals and provided thousands of families with food and clothing during the holiday season.

CHARITY SEATS - SEASON TICKET HOLDER TICKET DONATION PROGRAM

Clippers season ticket holders have the opportunity to give back to the community by donating their unused game tickets to children. The community relations department utilizes donated tickets to provide at risk youth with the chance to attend a Clippers home game

LA CLIPPERS

"OUR CALLING": INSPIRING EVERY CHILD

Every day, we'll make a positive difference to a child in L.A.

To meet this commitment, the L.A. Clippers Foundation will first understand their educational environments, from classroom to playground to living room, in communities across Southern California. The greatest resource of the Clippers Foundation is inspiration, channeled from our players, organization and Clipper Nation. Our greatest tool is investment, through singular grants that set a new benchmark in actual funds and true transparency. Our greatest gift is mobilizing contribution and commitment from everyone we call Partner, including colleagues, corporate sponsors and the community at large.

In every way, our mission is to inspire a child to make a positive difference in their L.A.

In addition to monetary donations, tickets, merchandise and autographed memorabilia are also given. The foundation will continue to team up with sponsors, community organizations and media outlets in providing quality community programs, scholarships and other opportunities for the youth in and about the greater Los Angeles area.

CHARITY GOLF CLASSIC

This exciting day of golf provides season ticket holders, sponsors and the general public an opportunity to interact with their favorite Clippers players while raising funds to benefit the LA Clippers Foundation and local children's charities. The Charity Golf Classic has generated over \$1.8 million in the last 15 years with a portion of the net proceeds donated to a local charitable partner each year.

When STAPLES Center opened in the fall of 1999, the Clippers played their home games in a new arena for the eighth time in franchise history. Here is a look back at some notable moments in Clippers' arena history.

July 8, 1959: The Los Angeles Sports Arena opens its doors to the public, hosting a bantamweight boxing title match between Jose Becerra and Alphonse Halimi before 13,657 fans.

June 18, 1961: More than 25,000 crowd in and around the Los Angeles Sports Arena to cheer on Martin Luther King, Jr. and his non-violent assault on segregation. The doors to the arena are closed 15 minutes before the rally begins as fire marshals declare no more than the already 18,500 inside can be admitted. Police say up to 10,000 more are left outside to follow the four-hour program from loudspeakers hastily wired for the overflow audience.

January 16, 1963: At the 1963 NBA All-Star Game, a sold out crowd of 14,838 watches the East, led by Boston's Bill Russell, outclass Wilt Chamberlain and the West 115-108 in the two stars' first-ever All-Star confrontation. Russell outscores Chamberlain 19-17 and outrebounds him 24-19 to earn his first and only All-Star MVP honor.

October 1967: The Los Angeles Kings start the 1967-68 NHL hockey season by playing the games of October, November and most of December at the Los Angeles Sports Arena. It is not until December 30, 1967 that the Kings move to the newly opened Forum.

October 15, 1978: The San Diego Clippers are defeated 94-98 by the Denver Nuggets in their first regular season game played at the San Diego Sports Arena. The 8,362 fans in attendance welcome another NBA team to Southern California.

April 14, 1984: In their last game played in San Diego, the Clippers pound the Utah Jazz 146-128. After six seasons in San Diego, the Clippers announce on May 15, 1984 that they are moving to Los Angeles.

November 1, 1984: In their first regular season game played since their move to Los Angeles from San Diego, the Clippers defeat the New York Knicks 107-105 at the Sports Arena in front of a crowd of 12,018.

April 28, 1992: Reaching the playoffs for the first time since leaving Buffalo, the Clippers face the Utah Jazz in the first round of the Western Conference Playoffs. In a tight contest, the Clippers win game three of the first round series 98-88.

May 3, 1992: Due to civil unrest in Los Angeles, the Clippers' playoff game against the Utah Jazz is moved to the Anaheim Convention Center. Los Angeles is victorious 115-107 in front of a raucous crowd of 7,148 Clipper fans. This game is especially meaningful because the team had only 48 hours notice to move their entire operation, including transferring the court and reassigning ticket holders into an arena which was not configured for basketball.

June 17, 1993: Construction is completed on the Clippers' home away from home, the state-of-the-art Arrowhead Pond of Anaheim, which seats 18,211 for basketball. In the coming years, the Clippers will exceed this number on numerous occasions, thanks to the addition of standing room only seating.

October 16, 1993: In their first game ever played at the Arrowhead Pond of Anaheim, the Clippers defeat the Golden State Warriors 132-117 in a preseason contest played in front of 16,967 Orange County fans.

January 27, 1994: With the Clippers unable to play at the Sports Arena because of damage caused by the Northridge Earthquake, the team plays their first regular season contest at the Pond, a narrow 101-103 defeat at the hands of the New York Knicks.

April 17, 1998: The Clippers announce plans to move into the state-of-the-art STAPLES Center when the building opens for the 1999-2000 season.

May 5, 1999: An era comes to an end at the Los Angeles Memorial Sports Arena as the Clippers fall 105-107 to the Seattle SuperSonics, marking the Clippers' final game at the arena.

October 17, 1999: Bruce Springsteen and the E Street Band rock STAPLES Center with the first public event held at the facility.

October 20, 1999: The Los Angeles Kings host the Boston Bruins in the first sporting event at STAPLES Center.

October 27, 1999: The Clippers play the first ever basketball game at STAPLES Center, a preseason matchup against the Milwaukee Bucks.

November 2, 1999: The Clippers open regular season play at STAPLES Center with a 92-104 loss to the Seattle SuperSonics before a crowd of 17,847.

November 5, 1999: The Clippers notch their first regular season win at STAPLES Center, a 91-81 victory over the Philadelphia 76ers.

NBA PLAYOFF STRUCTURE

- Eight teams in each conference qualify for the NBA Playoffs. All eight teams will be seeded in order of their regular season records. The team with the better regular season won-lost record has home-court advantage in each round of the playoffs. Head-to-head results are the first criterion to break ties for playoff seeding and home-court advantage between two teams with identical regular-season records; the second criterion is whether a team won its division.
- The four rounds of the playoffs, including the NBA Finals, will follow a best-of-seven format. All qualifying teams participate in the first round.
- All rounds will play a 2-2-1-1-1 format.

ADDITIONAL INFORMATION

STAPLES Center is entering its seventeenth year and has undoubtedly developed an unrivaled reputation for excellence while establishing itself as the Sports and Entertainment Center of the World. Beginning with Bruce Springsteen and the E Street Band's opening night concert on October 17, 1999, more than 50 million guests have come to the AEG-owned and operated STAPLES Center to attend a schedule of prestigious concerts, sporting events, award shows, family shows and other major attractions unmatched by any arena.

As the home of four professional sports franchises, the NBA's Los Angeles Lakers and Los Angeles Clippers, the NHL's Los Angeles Kings, and the WNBA's Los Angeles Sparks, STAPLES Center has proven to be a home court advantage for the local teams with the Lakers capturing five NBA Championships and the Kings winning two Stanley Cups since 1999 while, the Sparks captured back-to-back WNBA Championships in their first two STAPLES Center campaigns.

STAPLES Center continues to distinguish itself as the host of major, high-profile events of national and international distinction including the 2004 & 2011 NBA All-Star Weekends, the 2002 NHL All-Star Game and 2010 NHL Draft, 2002 U.S. Figure Skating Championships, the 2000 Democratic National Convention, 2009 ISU World Figure Skating Championships, sixteen of the last seventeen GRAMMY Award shows, eleven X Games competitions, four WTA Tour Championships, 12 Pac 12 Men's Basketball Championship tournaments, 2013 NCAA Division I Men's Basketball Championship West Regional and the Michael Jackson Public Memorial Service on July 7, 2009.

STAPLES Center's first sixteen years have also been marked with performances and special events that brought international stature to Los Angeles' sports & entertainment icon including concerts starring Taylor Swift, Adele, Mana, Prince, U2, Garth Brooks, Beyoncé, Usher, Paul McCartney, Don Henley, Bon Jovi, Madonna, Christina Aguilera, Justin Timberlake, Phil Collins, the Rolling Stones, Dave Matthews, Britney Spears, Rod Stewart, Eric Clapton, Janet Jackson, Jay-Z, Simon & Garfunkel, Van Halen, Dixie Chicks, John Mayer, Shania Twain, Peter Dinklage, Ricky Martin, Tina Turner, Kanye West, Luis Miguel, Billy Joel, Lionel Richie, Reba McEntire, Crosby, Stills, Nash & Young, Faith Hill & Tim McGraw,

Kenny Chesney, Rod Stewart, Tool, Shakira, Depeche Mode, Cher, Bette Midler, Lady Gaga, Keith Urban, Mariah Carey, Eurythmics, Googosh, The Police, Beyonce, Bob Seger, Lady Antebellum, Katy Perry, Marco Antonio Solis, and a (millennium) New Year's Eve spectacular starring the Eagles, Jackson Browne and Linda Ronstadt; world championship boxing including Lennox Lewis vs. Vitali Klitschko for the World Heavyweight Championship and the first-ever Latin Grammy Awards. In addition, the arena has hosted multiple sold-out WWE dates, UFC 39 and UFC on FOX, Ringling Bros. & Barnum and Bailey Circus, Disney on Ice, Walking with Dinosaurs and the Harlem Globetrotters.

Through the charitable endeavors of STAPLES Center Foundation, dynamic and life changing programs and services that focus on education, mentorship, healthy living, and healthcare, have been provided to children and families throughout Los Angeles with a special emphasis on supporting low income neighborhoods surrounding the arena.

More than \$10 million in grants and in-kind support has been pledged to support several local charities and community-based organizations with a goal of changing lives and saving lives. STAPLES Center Foundation works diligently to assist charities in raising funds, developing resources, increasing awareness, and highlighting their community impact. The foundations philanthropic reach has impacted organizations such as 10th Street Elementary, Inner City Arts, Salvation Army Red Shield Youth & Community Center, The Midnight Mission, and several local hospitals. Anchor Tenants, including the LA Kings, Los Angeles Lakers, Los Angeles Clippers and Los Angeles Sparks, assist in creating once in a lifetime fundraising opportunities and experiences for our charity partners and community members.

STAPLES Center and L.A. LIVE serve as the hub for community engagement during the holiday season, and supports employee volunteerism activities such as a company-wide Day of Service. Through a partnership with City Year, employees volunteer to refurbish local public schools by providing supplies, painting, cleaning and gardening services. During AEG's Season of Giving, held throughout the month of December, the Foundation spotlights more than two dozen local charities and community-based organizations and provides non-profits a platform to collect food, hold blood drives, register volunteers, educate the public and sign up mentors with the Nokia Plaza L.A. LIVE, its ice skating rink, STAPLES Center and the holiday tree as the backdrop.

STAPLES Center has been designed with the fans of Los Angeles in mind. Guests who attend events are treated to the finest entertainment experience imaginable. The arena has free public Wi-Fi powered by Verizon, over 840 Toshiba flat panel televisions and (as part of a specially designed \$1.5 million facility sound system) 675 separate speakers outside of the seating area, so fans never miss any of the sights or sounds of a STAPLES Center event. Also featured is a \$2 million specialty lighting package and other state-of-the-art amenities. In 2010, STAPLES Center unveiled their brand new \$10 million center-hung video LIVE 4HD Scoreboard specially designed for the arena.

Along STAPLES Center's five concourses are 23 refreshment stands offering a variety of dining choices including the Smokehouse BBQ on City View Terrace, a one-of-a-kind outdoor dining experience with a spectacular view of L.A. LIVE and of the downtown Los Angeles skyline. The TEAM LA store located on the main concourse is a retail store featuring official merchandise from the teams and events that call STAPLES Center home with satellite locations throughout the facility and L.A. LIVE. Finally, the arena provides 55 public restrooms including three "family" restrooms.

Perhaps the greatest emphasis throughout STAPLES Center's development has been the recruitment and training of its guest services staff. The STAPLES Center experience is second-to-none from the entertainment environment to the staff's commitment to making every guest's visit a memorable one. Never before has an arena had the amenities, features and commitment to quality service that STAPLES Center offers to the fans and the City of Los Angeles. STAPLES Center continues to set new standards for the arena industry. Located directly across the street from STAPLES Center is L.A. LIVE, a one-of-a-kind sports, and entertainment district in downtown Los Angeles. The four million square foot destination features Microsoft Theater, the GRAMMY Museum, Conga Room and The Novo, giving L.A. LIVE 'more music per square foot' than anywhere else in the world. The district offers a rich mix of local, regional and national restaurants including Wolfgang Puck Bar and Grill, Rosa Mexicano, Yard House, Katsuya, Fleming's Prime Steakhouse & Wine Bar, Rock 'N Fish, Lawry's Carvery, Live Basil Pizza, Tom's Urban, Smashburger, Red Mango, Triple 7 China Bar & Grill, Starbucks and BOCA at the Conga Room, WP24 and others. L.A. LIVE also features 100,000 sf special events deck and the famous Lucky Strike Lanes and Lounge. The development also includes a 54-story, 1001-room convention "headquarters" hotel (combining JW Marriott and The Ritz-Carlton brands and 224 luxury condominiums - The Ritz Carlton Residences at L.A. LIVE.), the 14-screen Regal Cinemas L.A. LIVE Stadium 14 theatre featuring the Premier House, along with ESPN's West Coast broadcast headquarters. L.A. CLIPPERS TRAINING CENTER

Prior to the 2008-09 season, the Los Angeles Clippers moved into their new home away from STAPLES Center, the \$50 million Los Angeles Clippers Training Center located in Playa Vista. The 42,500 square foot state-of-the-art facility serves as the team's training headquarters in addition to serving as the home of the Basketball Operations, Communications and Community Relations Departments.

The team's comprehensive training center is situated on a two-acre parcel of land within the Playa Vista community on Los Angeles' ever-growing Westside and immediately took its place as one of the most impressive practice facilities in all of professional sports.

In addition to two regulation NBA basketball courts, the two story structure also houses a 2,600 square foot performance and strength training area featuring state of the art cardiovascular and weight training equipment, as well as a training room and

steam and sauna facilities. Adjacent to the training room is an extensive hydrotherapy area featuring both hot and cold plunge pools and a resistance pool containing an underwater treadmill. Full locker room facilities for Clippers' players and coaches as well as offices for all members of the Clippers' Basketball Operations, Communications and Community Relations Departments are also on-site. The facility also boasts a state-of-the-art digital video production facility and video viewing room, player's lounge, full equipment storage

L.A. CLIPPERS TRAINING CENTER

and laundry facility and a fully equipped media workroom.

The training center is located within close proximity to both the San Diego and the Marina Freeways. About two thirds of the team's current players live within ten minutes of the facility.

The 104 year-old Turner Construction Company, headquartered in Dallas, Texas, served as the general contractor on the project. Turner Construction is a nationally recognized company and is one of the nation's

largest builders of educational, sport, commercial, retail, hotel, multi-unit housing, industrial, pharmaceutical, medical, cultural and institutional projects. Turner has a dynamic presence in the Downtown Los Angeles city skyline, starting with the Union Bank Building in 1967, and including the US Bank Tower and the Gas Company Tower in following years.

Turner has an extraordinary background in sports practice/

training facility construction, having completed projects for the NBA's Cleveland Cavaliers and New York Knicks, the NFL's Cleveland Browns, Cincinnati Bengals, and Carolina Panthers, and the NHL's Columbus Blue Jackets and Pittsburgh Penguins.

Playa Vista is the first new community to be established on the Westside of Los Angeles in more than 50 years. The community balances residential, commercial and retail space, creating a place to live, work and play. Situated about a mile from the ocean, Playa Vista is nestled below the bluffs of

Westchester, adjacent to the newly restored Ballona Freshwater Marsh and within easy reach of Santa Monica, Venice, Century City and LAX.

Architectural design on the facility was provided by Rossetti Architects of Los Angeles, with Tim Lambert serving as the lead designer. Rossetti's list of sports-related facilities includes the Palace of Auburn Hills, Michigan, Detroit's Ford Field, and the Stub Hub Center, located in Carson, California.

RALPH LAWLER
PRIME TICKET/AM 570 LA SPORTS

Ralph Lawler is entering his 38th year as the "Voice of the Clippers" and his 41st year in professional basketball as he looks ahead to the 2016-17 Clipper season with a level of excitement and anticipation that he has never before experienced. The last five years weren't bad in bringing previously unmatched thrills to Clipper fans as the trio of Blake Griffin, Chris Paul and DeAndre Jordan made the Clips one of the league's most entertaining and successful teams. Ralph has loved being reunited with Doc Rivers who became the first former Clipper player to serve as the team's head coach when he assumed the coaching reigns in 2013. Doc's Championship coaching credentials give this team its best shot ever of competing for their first NBA Championship. Lawler is the third longest tenured team broadcaster in the league, but he's never been filed with the confidence he feels heading into the third season of owner Steve Ballmer's energetic stewardship of the franchise.

Ralph's long tenure with the club will see him entering the year just 24-games short of 3000 Clipper games announced. That symbolic total with one team has been matched by only a small handful of broadcasters in the history of the NBA.

Lawler's enthusiastic calls of "Bingo!", "Fasten your Seat-belts" and "Oh Me Oh My" continue to be favorites for Clippers fans throughout Southern California. Lawler's active schedule has him handling play-by-play duties for all televised Clipper games on PRIME TICKET as well as on the Clipper's flagship radio station AM 570 L.A. Sports for all non-televised contests.

Lawler long list of honors was added to this past summer when he received a Star on the Hollywood Walk of Fame and was named Bradley University's 'Alumni of the Year' for 2016. He also collected his third EMMY as a part of Prime Ticket's Emmy Award Winning coverage of Clipper Basketball in 2013 and a coveted Telly Award for his Clipper TV work in 2014. Additionally, he is a member of the Southern California Sports Broadcasters Hall of Fame and was recently inducted into the California Sports Hall of Fame. Ralph's NBA memories are many: he warmly recalls that he broadcast the NBA debuts of 3 of his all-time favorites: Julius Erving (with 76ers in Philadelphia), Magic Johnson (versus the Clippers in San Diego) and Blake Griffin (with the Clippers). The NBA has long been his great Love. However, the versatile broadcaster is one of only a handful of announcers who have worked play-by-play in each of the four major U.S. Sports Leagues: NFL (Chargers), MLB (Phillies), NHL (Flyers) and NBA (76ers & Clippers).

His resume also includes broadcasting events as varied as A.B.A. and college basketball, golf, tennis, track & field, pro box lacrosse, auto racing, boxing and college football. Ralph is a graduate of Bradley University in Peoria, Illinois, and was inducted into his alma mater's Sports Hall of Fame in 1993. He's another in a long line of sportscasters who honed their craft in Peoria including Chick Hearn, Tom Kelly, Bob Starr, Bill King and Jack Brickhouse, among others.

Ralph spends his off-season keeping tabs on all matters involving the NBA and communicates with Clipper fans regularly via Facebook and Twitter. Notable off-season activities have included a week aboard the SS Norway as the radio host of an NBA Cruise of the Caribbean, an 18-day whitewater rafting trip down the Colorado River through the Grand Canyon with former broadcast partner Bill Walton, an appearance in the movie "Drive", a full month in Italy with family in 2013 and service one year as the play-by-play voice for one of Nintendo's "NBA Courtside" video games.

Ralph and his wife, Jo, proudly head a family that includes three grown children and seven grandchildren. The Lawlers spend the season in Marina Del Rey and their summers in Bend, Oregon. Fans can follow Ralph on Twitter: @ohmeomy or on Facebook at www.facebook.com/ralphlawler.

MICHAEL SMITH
PRIME TICKET/AM 570 LA SPORTS

Former Clipper Michael Smith begins his 19th season behind the microphone for the Clippers and his 15th partnering with Ralph Lawler on all Clippers telecasts. Prior to moving to television as the Clippers color commentator, Smith served as the Clippers' radio play-by-play voice for four seasons, where he was one of only two (Hot Rod Hundley being the other) former NBA players, to do play-by-play on radio for an NBA team. Previously, he had worked for NBC in Salt Lake City calling college games.

Smith began his broadcast career just as his playing career came to a close. Smith played eight years professionally. He played with some of the games true greats; Larry Bird, Magic Johnson, Kevin McHale, Dennis Johnson and Robert Parish to name a few. He also played with Clipper Players: Loy Vaught, Pooh Richardson, Lamond Murray and Eric Piattowski. Originally drafted by the Boston Celtics in 1989 as the 13th overall selection, Smith started eight games his rookie year in the middle of the season, a span during which he averaged 18 points per game and the Celtics went 7-1, and later earned all-rookie votes. He played in Europe from 1991-1995, and led the Spanish League in scoring and free throw percentage two different times. He was also the leading American scorer in the Italian League. In 1995, Smith returned to the Clippers for one season. That season allowed him the opportunity to return to the city where he had excelled in his early days.

Smith attended Los Altos High School in Hacienda Heights, where he set CIF football records for yardage, attempts, completions, and the single-game record for TD's (8) as a quarterback on the way to a perfect season and the CIF championship. That year, he was chosen the National Male High School Athlete of the Year by the Dial Corporation. He was named First Team All-American in football, basketball and volleyball. Smith was recruited by virtually every university in the country to play any or all of the three sports. He chose BYU and basketball. Accolades at the college level continued: he was an All-American his junior year and led the team to a 26-6 record. Overall, he led the conference in scoring three times, was a two-time Conference Player of the Year, led the nation in free throw percentage his senior year (.925), and was a three-time First Team Academic All American. In 1988, Smith was invited to try out for the Olympic volleyball team, and the Olympic basketball team, and play Quarterback for the BYU football team. Smith also served a mission for his church between his freshman and sophomore years in college. He is also fluent in Spanish and Italian. Smith loves to golf, swim, do yoga and play ping pong, and spend every possible moment with his wife, Debra, and their 10 children.

PHOTO GUIDELINES

Approved credentialed photographers may shoot at either the north or south baseline. There are no photo positions on the sideline. A photo position chart will be posted on the basket stanchions and in the press room for each game. **Photographers are asked to contact the Communications Department in advance to reserve space on the floor. A season photo credential does NOT guarantee you a photo position on the floor.** Free-lance photographers will not be credentialed unless they are on specific assignment from a magazine or newspaper, and proper requests are submitted from that outlet. **Photographers must observe the NBA's "Four-Foot Lane" rule, which allows one position for home and broadcasting television outlets immediately next to the stanchion, then a three-foot escape lane that must be kept completely clear of photographers and equipment. All other photographers will be seated beyond that four-foot lane.**

Photographers must also be aware of the following other NBA-enforced restrictions:

Cameras mounted on the basket stanchion must be set back at least four inches from the edge of the padding. Cameras mounted behind the backboard cannot be visible inside the target box from any angle. Tripods are not permitted. Use of flash is not permitted. All cameras must have rubber-capped lenses.

PRACTICES

Clippers practice sessions are held at the Los Angeles Clippers Training Center. Per NBA policy, media will be allowed access 15 minutes PRIOR to practice with a 15-minute media availability session to follow (Policy subject to change).

Practices are always subject to change and/or cancellation. Media wishing to cover practice should always refer to the Clippers Media Website <http://media.clippers.com> (Password: pressclips) or contact the Communications Department to confirm practice time and location. The address and directions to the training center are as follows:

The Los Angeles Clippers Training Center
6951 S. Centinela Ave.
Playa Vista, CA 90094

From the 405 Freeway, exit Howard Hughes Parkway. Make a right on Sepulveda Blvd. Make a left on Centinela Ave. Turn left into the first driveway after the Radisson Hotel light, and make an immediate right into the Training Center parking lot.

PRESS ENTRANCE

The Ralph Lawler Media and Team Member Entry, where daily and season credentials may be picked up, is located on the Chick Hearn Court side of STAPLES Center (between Figueroa and Georgia Streets). Media must enter at Stairway 18, which leads down to the Event Level. This is the only location where season and daily credentialed media may enter the building.

PRESS ROOM
